

FAQ

Frequently Asked Questions:

What kind of events are available?

Health and wellness education events are available. The events listed are from healthcare organizations. The events you will find include medical, dental, vision, health fairs etc. Many of the events are free or the fee is listed.

How can I increase my search?

Searching by a CATEGORY will increase your search results. The more search selections you make the narrower the search—which can be a good thing too!

Why can't I find an event in my area?

We're still growing! Please check back with us, as we continue to increase the number of states we cover. Currently we are covering Kentucky and Indiana.

How do I create an account?

Accounts are only for organizations who want to upload an event on our website. If you are an organization and wish to create an account please go to Account and click to Register. Your account will be reviewed and approved within 48 hours. After your account is approved you may begin uploading events.
